

Sisterhood Gardens Plot Application

Sisterhood Gardens is a new community garden at the corner of Brotherhood Way and Arch St. We are now taking applications for plots in the garden. Each plot will be approximately 40 square feet. To qualify for a plot, you must be a resident of Oceanview, Merced Heights, or Ingleside, and not have a plot in any other community garden. Plots will be assigned by the end of October. Once plots are assigned, a Garden Committee will be formed and a Garden Coordinator elected. Having a plot qualifies you to sit on the Committee.

Please note: Filling out this form does not guarantee you a plot. Qualified applicants will be entered into a lottery for the initial plots, and a waitlist will be started. Once the Garden Committee is formed additional plots may be built, and those on the waitlist will be prioritized.

The Garden Committee will be in charge of developing rules and regulations for the garden, including the possible imposition of a membership fee. No membership fee will be charged until January 2017 at the earliest, and once the Committee has set up a fiscal body capable of handling fees.

For questions please email Hannah Copperman (hcopperm@gmail.com) or sisterhoodgarden@gmail.com. You can also visit the website at <http://sisterhoodgardens.org/>.

If you are filling this form out on paper, please leave it at IT Bookman Community Center, 446 Randolph St, San Francisco, CA 94132. The first plots will be assigned by October 22nd, 2016. Applications received after this date will be put on the waitlist.
